

FEMS 2006
2nd Congress of European Microbiologists, Madrid

Programme Workshop "Frontiers in Pathogenomics"
July 5, 2006, 16.30 - 19.00 hours

organised by:
Network of Excellence "EuroPathoGenomics"
ERA-NET "PathoGenoMics"

Chairman: Luis Angel Fernandez , Madrid, Spain

- | | |
|---------------|---|
| 16.30 - 16.35 | Introduction of the NoE "EuroPathoGenomics: Gabriele Blum-Oehler |
| 16.35 - 16.40 | Introduction of the ERA-NET "PathoGenoMics": Marion Karrasch |
| 16.40 - 17.00 | 1 st talk: Christoph Schoen, Würzburg, Germany
(15 min talk, 5 min discussion) |
| 17.00 - 17.15 | 2 nd talk: Elena Fernández-Arenas, Madrid, Spain
(10 min talk, 5 min discussion)
Integrated proteomic and genomic approaches to study <i>Candida albicans</i> -macrophage interaction |
| 17.15 - 17.30 | 3 rd talk: Marco R. Oggioni, Siena, Italy
(10 min talk, 5 min discussion)
The change from planktonic to sessile life is central to pneumococcal pathogenesis |
| 17.30 - 17.45 | Coffee break |

Chairman: Christoph Schoen, Würzburg, Germany

- 17.45 - 18.05 4th talk: **Luis Ángel Fernández, Madrid, Spain**
(15 min talk, 5 min discussion)
A lesson of fimbria assembly in pathogenic *E. coli* learnt from Biotechnology
- 18.05 - 18.20 5th talk: **Piotr Bielecki, Braunschweig, Germany**
(from the abstracts, 10 min talk, 5 min discussion)
In-vivo expression profiling of *Pseudomonas aeruginosa* in burn wounds
- 18.20 - 18.30 Introduction to PhD awardees from the ERA-NET: **Dr. Rosa Rodríguez Bernabé, Ministry of Education and Science, Spain**
- 18.30 - 19.00 Presentation of the PathoGenoMics PhD award 2006: **Prof. Eliora Ron, Israel**
3 x10 min talks from awardees:
Dr. Damien Portevin, France
Dr. Verena Grimm, Germany
Dr. Alejandro Toledo de Arana, Spain
- 19.00 **Assembly of the NoE EPG**
